

Varun Sridhar

New York City, NY

Experience

VP of Product
Gynger Inc.

March 2022 – Present
New York City, NY

- **Strategy & Execution:** Joined as employee #3 to lead the end-to-end product lifecycle for an AI-powered financing and payments platform. Scaled the product from initial launch to nearing 8-figures in revenue.
- **Embedded Financing:** Deployed the financing suite in early 2023, underpinned by a proprietary underwriting engine, that has facilitated 9-figure originations while utilizing AI to streamline credit decisioning.
- **Product Expansion:** Led the mid-2024 launch of a revenue automation suite, enabling tech vendors to offer flexible payment options to their customers.
- **Platform & Growth:** Unified AR workflows into a single platform, leveraging deep ERP and CRM integrations to streamline the quote-to-cash process, driving multi-X topline growth.

Vice President and Lead PM, Banking Tech
Morgan Stanley

2021 – 2022
New York City, NY

- Scaled the Tailored Lending platform to support high 9-figure annual revenue, driving a 26% CAGR by optimizing credit workflows and digital borrower experiences.
- Led a multi-platform global initiative to transition the multi-billion dollar loan book to Fed-mandated Alternative Reference Rates (SOFR), ensuring regulatory compliance and mitigating systemic risk.

Product Manager, Banking Tech
Morgan Stanley

2015 – 2020
New York City, NY ; Montreal, QC

- Increased revenue \$5M+ annually by launching a multi-collateral loan product.
- Delivered a reduction of 60% in loan booking time via servicing workflow automation and API integrations.
- Drove 40% YoY loan volume growth by deploying new loan origination system.

Tech and Data Business Analyst, Intern
Morgan Stanley
